

ABOUT

All of our bollards can be fabricated in a variety of shapes and heights and are installed in compliance with ADA requirements. Custom lighting, etching, and powder coating can be added to show a site's or project's logo, name or address.

Contact our design team for custom sizes, shapes, and options.

PRODUCT COLORS

ADG Metalscape products are handmade and produced in the United States using premium materials such as cor-ten steel, aluminum, stainless steel, brass, copper, and bronze. Each product is meticulously treated and inspected to ensure a superior product. Our portfolio of finishes include natural weathering, patina, powder coating, and other hand finishes.

Product assistance and implementation is available through our design and engineering team. We can provide support in every stage from design and development, to installation.

 ADG Metalscapes is an environmentally conscious manufacturer and uses recycled and recyclable materials.
