

CUSTOM INLAY PLANTERS

Our Custom Inlay Planters are a great way to add a subtle detail to your site's planters. Our channel inlays can be made from a variety of materials and finishes such as marble, wood, painted or polished metal, or LED light strips to match or enhance your site.

ADG Metalscape products are handmade and produced in the United States using premium materials such as cor-ten steel, aluminum, stainless steel, brass, copper, and bronze. Each product is meticulously treated and inspected to ensure a superior product. Our portfolio of finishes include natural weathering, patina, powder coating, and other hand finishes.

Product assistance and implementation is available through our design and engineering team. We can provide support in every stage from design and development, to installation.

 ADG Metalscapes is an environmentally conscious manufacturer and uses recycled and recyclable materials.
