ROUND TAPERED PLANTER

ADG Metalscape products are handmade and produced in the United States using premium materials such as cor-ten steel, aluminum, stainless steel, brass, copper, and bronze. Each product is meticulously treated and inspected to ensure a superior product. Out portfolio of finishes include natural weathering, patina, powder coating, and other hand finishes.

Product assistance and implementation is available through our design and engineering team. We can provide support in every stage from design and development, to installation.

ADG Metalscapes is an environmentally conscious manufacturer and uses recycled and recyclable materials.
