

GEOMETRIC PLANTERS

Our Geometric Planters are a great way to add an interesting pattern of planters to your site. We offer our Geometric Planters in a variety of shapes and can custom build them in any shape or size to fit your project.

ADG Metalscape products are handmade and produced in the United States using premium materials such as cor-ten steel, aluminum, stainless steel, brass, copper, and bronze. Each product is meticulously treated and inspected to ensure a superior product. Our portfolio of finishes include natural weathering, patina, powder coating, and other hand finishes.

Product assistance and implementation is available through our design and engineering team. We can provide support in every stage from design and development, to installation.

 ADG Metalscapes is an environmentally conscious manufacturer and uses recycled and recyclable materials.
